Dear Friends, Well-wishers, Partners, and All Who Stand With Us,

With gratitude and purpose, I present the Annual Report of Varsha Foundation for 2023–24. As we mark our **fifth year of social service**, our Home Away From Home (HAH) in Lucknow — inaugurated on 15th August 2019 — continues to be a beacon of hope for children battling cancer and their families. What began as shelter has grown into a holistic support ecosystem: accommodation, nutrition, education, counselling, transportation, and the warmth of a true home.

Throughout the year, our social workers, dietitians, counsellors, and volunteers served our children with unwavering dedication — providing nutritional guidance, hygiene awareness, education in the playroom, and round-the-clock care. We organised celebrations for every major festival — Eid, Diwali, Christmas, Holi, Independence Day, Republic Day — ensuring no family felt far from home. National Cancer Survivors' Day on 4th June 2023 was especially stirring, as brave survivors stood to inspire others that **cancer is curable**. In partnership with the Inner Wheel Club of Lucknow Baradari, we celebrated Children's Day at KGMU, and our team participated in a Blood Donation Camp, with staff members proudly donating blood.

None of this would have been possible without our generous supporters — Cankids...Kidscan, Eshwar Child Welfare Foundation, Satya Sai Sewa Sansthan, Inner Wheel Club of Lucknow Baradari, and all our individual donors. My heartfelt appreciation also goes to Dr. Nishant Verma and the KGMU medical team, and to Mr. Harsh Khanna, our Mentor and Governance Advisor, for their steadfast partnership.

We are still at the beginning of a long journey. Our Non-Formal Education Centre in Aligarh continues to serve underprivileged children aged 3 to 7, and we remain committed to expanding our reach. We firmly believe that **no child should be denied the right to health care and medical treatment**. I invite each of you — individuals, corporates, and institutions — to join hands with us, for your support can write a new chapter of hope in a child's life.

With warm regards and deep gratitude,

Arvind Kumar

The Hawan was conducted with devotion and traditional Vedic rituals under the guidance of a priest, invoking the blessings of **Maa Durga** in her nine powerful forms (Navadurga). The atmosphere was filled with chants, sacred fire offerings, and a shared spirit of compassion.

The key purpose of the Hawan was:

- To pray for the **well-being and healing** of cancer-affected children.
- To offer **peace and strength** to all those suffering from illness or hardships.
- To bring together everyone in a spirit of **unity, support, and devotion**.

All participants – including community members, caregivers, and well-wishers – took part in the offerings (Ahutis) and joined in the recitation of mantras. The puja concluded with **Aarti** and **Prasad distribution**, leaving everyone with a sense of peace and divine grace.

This meaningful event during Navratri was a reminder of the power of **collective prayer and compassion**, and the importance of supporting each other through faith and unity.
